## OBJECTIVE

Motivated and adaptable incoming third-year Computer Science student at the University of Santo Tomas, specializing in Data Science. Brings a well-rounded academic background through previous studies in BS Accountancy and BS Accounting Information System, offering a unique blend of skills in finance and technology. Proficient in Java, Object-Oriented Programming (OOP), HTML/CSS, SQL, and currently expanded expertise in Back-End Development. Completed rigorous coursework in Data Structures, Algorithm Design & Analysis, Theory of Automata, Introduction to Intelligent Systems, and Advance Statistics and Probabilities. Strong organizational and communication abilities developed through leadership involvement as Executive Assistant to the 2nd Year Representative of the UST Computer Science Society. Eager to apply analytical thinking, attention to detail, and dedication to a part-time or internship role that supports both academic and professional growth.

## SKILLS & STRENGTHS

Programming & Development: Java, OOP, HTML/CSS, SQL, Front-End Development, Back-End (in progress)

Data & Algorithms: Data Structures, Algorithm Design & Analysis, Theory of Automata

Analytical & Organizational Strengths: Refined through accountancy training and student leadership

Teamwork & Communication: Effective collaborator with leadership experience in student organizations

Adaptability & Time Management: Proven ability to manage demanding academic and extracurricular workload

## EDUCATION

- **University of Santo Tomas**
  - BS in Computer Science – Major in Data Science (Incoming 3rd Year)
- **Previously Enrolled:**
  - BS Accountancy
  - BS Accounting Information System
- **Bulacan State University – Laboratory High School**
- Accountancy, Business and Management Strand (With Honors)

## EXPERIENCE

Executive Assistant, 2nd Year Representative – Computer Science Society (2024–Present)

- Assisted in scheduling and coordinating student events and meetings.
- Communicated updates and reminders to team members, demonstrating strong organizational skills.
- Supported logistical needs during society activities, showing adaptability in high-pressure situations

Esport Committee Member – Accountancy Student Council (2022-2023)

- Assisted in organizing e-sport events and tournaments for students.
- Worked closely with council members to manage participant registration and event logistics.
- Demonstrated teamwork, multitasking, and problem-solving in a fast-paced environment.

Executive Assistant to the Public Relations Officer (PRO) – UST JPIA (2020-2022)

- Coordinated communications with student members and external partners for events.
- Helped manage promotional materials, reinforcing strong communication and marketing skills.
- Collaborated with teams to ensure smooth event planning and execution.
